Extended stays abroad are meant to be enjoyed.

But if an unexpected medical emergency should happen, know that you're protected with Canadian Expatriates travel insurance.

Why buy Canadian Expatriates travel insurance?

We know that with extended stays outside of Canada, government health care plans don't travel with you, and only take effect again a few months after you return. Canadian Expatriates travel insurance from the experts at Allianz Global Assistance bridges gaps in coverage during these times. Be sure to carry travel insurance to safeguard your finances and stay protected in a medical emergency.

Ideal for:

- Working and living abroad looking for more than emergency medical coverage
- Wanting to continue their Allianz Global Assistance medical coverage when they return to Canada
